July-Dec 2019

## DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

The department of Electronics and Communication Engineering started in the year 2008, and has been in the forefront of imparting quality education to the students. The department has a strong undergraduate program with an intake of 120 students. At present, 9 faculty members are pursuing PhD program .UG students are encouraged to undertake various mini-projects in the lab. The students are given soft skill programs to meet the needs of employability. The unwavering commitment towards students along with a pool of experienced and dedicated teaching faculty makes the department distinguished.

### DEPARTMENT VISION

To be the Department of Electronics and Communication Engineering striving hard to develop responsive teaching-learning methodology, research and employable skills in allied fields by empowering students to become globally competent and socially responsible citizens.

### DEPARTMENT MISSION

**M1:** To develop an active learning environment that ensures participation of students in both curricular as well as co-curricular activities.

**M2:** To foster research, innovation and creativity amongst students.

**M3:** To encourage development of entrepreneurial skills.

**M4:** To inculcate, amongst students, team-spirit, leadership qualities, positive attitude and effective communication skills to solve societal needs.

### PEO's

**PEO1:** Be Successful in their professional career, higher studies and research by providing contextually relevant academic environment.

**PEO2:** Be committed citizen with social and professional concern.

**PEO3:** Demonstrate leadership qualities and managerial skills in heterogeneous team globally.

**PEO4:** Be independent lifelong learners to keep the pace of technological change and industry expectations.
