Subject : To get the permission for the Unnat Bharat Abhiyan activities regard.

Respected Sir,

With reference to the above cited subject I would like to bring to your notice that as per the instructions of **Central Coordinator of UBA and Dean, Students Welfare**, we are supposed to carry out the **Unnat Bharat Activity (Household and Village Survey)** at **Agasage Village of Belagavi District** which is scheduled on **02/11/2023** and also requires some amount (**Approximately 10,000/- INR**) for the necessary expenditures.

So I request you to kindly permit us to conduct these UBA Activities at Agasage and to get fund of **10,000/- INR (Ten Thousand rupees Only)** and do the needful as early as possible.

Thanking you Sir.

Subject : Request for Cooperation in Conducting Baseline and Village Survey under Unnat Bharat Abhiyan regard.

Respected Sir / Madam,

With respect to above mentioned subject, I am writing to seek your valuable cooperation and support for the successful implementation of the Baseline and Village Survey in our adopted village under the Unnat Bharat Abhiyan initiative.

Unnat Bharat Abhiyan, launched by the Government of India, is a noble endeavour aimed at holistic rural development, with a focus on promoting sustainable development and improving the quality of life in rural areas. Our village, Agasage, has been fortunate to be a part of this transformative initiative.

The Baseline and Village Survey is an essential step in understanding the existing socio-economic and infrastructural conditions of our village. It will serve as a critical reference point for planning and executing development projects that align with the needs and aspirations of the local community. Through this survey, we aim to identify key challenges, resources, and potential areas of improvement, which will ultimately guide us in formulating effective development strategies.

We understand that your office plays a pivotal role in the local governance and administration, and your cooperation will greatly enhance the effectiveness of this survey. We are committed to working closely with the Gram Panchayat to ensure that the survey process is transparent, unbiased, and truly representative of the village's needs and aspirations.

Respected Sir/Madam,

It is to bring to your notice that based on the surveys conducted by the Department of Civil Engineering, SGBIT, Belagavi during **02/11/2023 to 10/11/2023** in the villages under **Agasage Gram Panchayat Limits (Agasage, Cheluvanatti and Malenatti : 04 wards, 10 houses)** and the interactions with the local people, it is found that good quality roads, banks, health care centers, schools etc. are available and serving their purposes. But at the same time the problems which are being experienced by the villagers are mentioned below along with some action plans.

Sr. No	Facilities / Services	Observations	Action Plan
1	Internal roads	Internals roads are of lesser width.	Roads could be widened.
2	Water Supply	Some areas & houses have scarcity of water and connections as well.	Water connections & utilization could be done more reachable to the public.
3	Electricity Connections	Electricity connections & street light are less in numbers.	Some more light poles & light bulbs could be installed.
4	Government Schemes	People have lack of knowledge and information's on Government Schemes like pension schemes and etc.	Awareness drives could be arranged on different Government schemes & Yojana's frequently.

5	Training Centres	NIL	Training centers related to technologies & agriculture, milk production, marketing, employment and etc. could be established.
6	Civil Hospital/Dispensary	NIL	A government hospital with all the advanced instrument's, more number of beds and permanent doctors could be established.
7	Gas Agencies	NIL	Some agencies outlet could be established.
8	Waste collection and recycling unit	NIL	Waste collection could be done regularly and could establish recycling units as well.

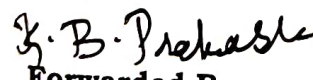

The purpose of the survey in the villages was to assess facilities, creation of awareness, identifying difficulties, system of process, pattern of rural life and suggesting improvements / developments to be taken place in the villages of Agasage Gram Panchayat Limit for the betterment of the community.

So we request you to consider the above points at top priority and come up with the best solutions, timely implementations for the villagers to create a strong and healthy atmosphere in the villages.

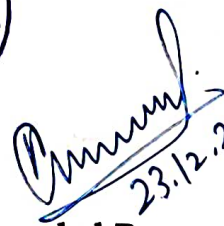

With Regards,

Appreciation Certificate

With reference to the **UBA Meeting No.: 01, Dated : 30/10/2023** We are very much thankful to participating institute (PI) **S. G. Balekundri Institute of Technology, Belagavi - 10 (Department of Civil Engineering)** for adopting **Agasage, Malenatti and Cheluvanatti villages of Agasage Graam Panchayat Limits** under Prime Minister Flagship program **Unnat Bharat Abhiyan**.

This is to certify that institute has been conducted collaborative village and household surveys of our village during **02/11/2023 to 10/11/2023** successfully.

We express our gratitude to the institute for considering our recommendations and findings of survey reports in the technology proposals of Subject Expert Groups (SEGs). We are happy to continue the same cooperation and coordination in future for the technology intervention of the institute for holistic development of our village.
