

# **Belagavi to Host 'Agamy Tech Summit 2026' – A Grand Celebration of Research, Innovation and Emerging Technologies**

## **National Experts, Industry Leaders and Young Innovators to Converge for a Two-Day Technology Summit**

**Belagavi, August 2026:**

With a vision of transforming learners into innovators and technology-driven problem solvers, **Naganur Shri Rudrakshimath** founded the **STEAMH Training and Research Foundation**, supported by **Transdisciplinary Learning Solutions Private Limited Belagavi**. The Foundation was established to support **students and Faculty from all technical streams, professionals, startups and industries** while promoting interdisciplinary learning, and undertake research in cutting-edge domains including **Artificial Intelligence, Robotics, Cybersecurity, Additive Manufacturing, Sustainable Energy, and other emerging technologies**. The Foundation is committed to developing technology-based solutions that address real-world societal challenges through research, innovation, and industry collaboration.

As part of this mission, the **Centre of Excellence (CoE) in Cybersecurity** at **S.G. Balekundri Institute of Technology (SGBIT), Belagavi**, has been established with the vision of becoming a **Nodal Centre for Cybersecurity Solutions in North Karnataka**. The Centre focuses on creating a strong ecosystem for cybersecurity education, research, innovation and industry engagement by:

- Conducting advanced research by faculty and students in Cybersecurity.
- Providing industry-oriented training, certification programmes and skill development initiatives.
- Developing innovative cybersecurity solutions for academia, industry and government.
- Building strong collaborations with technology companies, startups, researchers and law-enforcement agencies.
- Creating a pipeline of skilled cybersecurity professionals capable of addressing national and global cyber challenges.

Taking this vision forward, the **STEAMH Training and Research Foundation**, supported by **Transdisciplinary Learning Solutions Private Limited**, is hosting **Agamy Tech Summit 2026** in strategic partnership with **Agamy**

**Cyber Tech,Dharwad**, in association with the **Centre of Excellence (CoE) in Cybersecurity, S.G. Balekundri Institute of Technology, Belagavi**. The two-day summit, scheduled for **29th and 30th August 2026**, aims to bridge academia, industry and research through expert interactions, hands-on learning and innovation-driven competitions.

### **Highlights of Agamy Tech Summit 2026**

The summit will commence on **29th August 2026** with the **Grand Finale of the National Capture The Flag (CTF) Cybersecurity Competition**, where shortlisted teams selected through preliminary rounds, will compete for championship honours. The top three teams will receive a **cash prize pool of ₹50,000, ₹30,000 and ₹20,000** respectively.

A special highlight of the summit will be an exclusive **Cybersecurity Awareness and Law Enforcement Training Session** by **Mr. Venkatesh Sharma, Security Officer, Delta Exchange Group, Bengaluru**, followed by **Mr. Tejas (Law enforcement trainer for all over India)** focusing on cybercrime investigation, digital evidence, emerging cyber threats and practical approaches to strengthening cybersecurity preparedness for law enforcement agencies.

On **30th August 2026**, the summit will continue with expert keynote sessions and an engaging **Industry Panel Discussion** featuring leading cybersecurity professionals and technology experts. **Shri. Arvind Kumar, The Director General, Software Technology Parks of India (STPI)** and **Dr. Venkatesh Patil, MD Belgaum Oxygen Pvt Ltd** will be gracing the occasion as **Chief Guest and Guest of Honor** respectively.

The Second day will also feature expert technical talks, panel discussions and hands-on workshops on **Artificial Intelligence, Cybersecurity, Digital Identity, Ethical Hacking, Incident Response, IoT Security and Cloud Technologies**, delivered by renowned industry professionals.

The summit will also feature keynote sessions by renowned experts including:

**1. Ram Kunchanuru** (CEO - Biometrik® Systems | Ex-Head of Product Innovation at Digi Yatra Foundation Bengaluru, Karnataka, ) – *Beyond Passwords: AI, Biometrics and the Next Generation of Digital Identity*

**2. Raghu Honawad** – *Identity and Access Management (IAM)*

**3. Samarth** – *Incident Response in Action: Investigate Your First Cyber Attack*

**4.Preethika Shindhe** (Director - Product Security Regulations @ Philips | Healthcare Security Expertise Bengaluru, Karnataka)- *Ethical Hacking: From Curiosity to Career*

**5.Anup** (Founder HackerHub8 LLP) – *IoT Security Bootcamp: Hacking and Securing Smart Devices*

The event is expected to attract **students, faculty members, researchers, technology professionals, entrepreneurs, startups, cybersecurity practitioners and industry leaders** from across Karnataka and neighbouring states. It will provide participants with a unique opportunity to interact with experts, explore emerging technologies, build professional networks and gain insights into future career opportunities in cybersecurity and digital technologies.

The organisers extend a warm invitation to **students, faculty members, researchers and industry professionals** to actively participate in this landmark technology summit and make the best use of this unique platform for learning, networking, innovation and professional growth.

## **Event at a Glance**

**Event:** Agamy Tech Summit 2026

**Theme:** Career and Research in Cybersecurity

**Dates:** 29–30 August 2026

**Venue:** S.G. Balekundri Institute of Technology (SGBIT), Belagavi

**Organizer:** Agamy Cyber Tech,Dharwad

**Host and Strategic Partner:** STEAMH Training and Research Foundation  
(Supported by Transdisciplinary Learning Solutions Pvt. Ltd.)

**Associate Organizer:** Centre of Excellence (CoE) in Cybersecurity, SGBIT

**Expected Participants:** Students, Faculty, Researchers, Industry Experts, Entrepreneurs, Startups and Technology Enthusiasts
